### American Sign Language – Signs of the Month

We will have a new sign each month, this month we have TWO (2). Since we have graduation this month, we thought it would be a good sign to learn!

**Fall**—To sign fall or autumn, make your flat, dominant hand move in a circular fashion on the elbow of your non-dominant arm as the palm faces the ground. Clench your non-dominant hand into a fist as your open, dominant hand mimics falling leaves off your non-dominant elbow (which reminds us of a tree branch).

**Football** – To sign Football, First open both hands and spread all fingers apart. Then bring your hands together by interlocking all fingers and disengage them afterward. Repeat this lock-unlock sequence a couple of times in front of your body

**Isaiah 40:8**- The grass withers, the flower fades, but the word of our God stands forever

## Classroom News

**September Monthly Curriculum:** **Word:** Brave **Theme:** Me and My Family

**Little Lambs – Miss Faith, Miss Karen & Miss Irene**

It is school time. We will be saying goodbye to Harrison and Kinsley this month. Irene will be going back to school. We will be learning the letters A & B, The color blue and the square shape. We will continue to be working on our motor skills outside and in the big room.

**Lady Bugs - Miss Laura**

Summer sure goes fast! Here comes September. Our friends Samantha, Cooper and Timothy will move to the Caterpillars. We will have a unit on me and my family. We are constantly doing activities to develop and improve our vocabulary and communication skills. We also do some sign language at the table. We will continue working on counting and our colors. We will continue to go outside to play and to get fresh air. Please make sure you check your child's mailbox for art projects or notes.

**Caterpillars –Miss Stephanie, Miss Katie & Miss Eva**

Happy Fall! We're so excited to begin a new school year in the Caterpillar room. We are excited to welcome new friends and so proud to see so many friends move to the next rooms. We can't wait to watch you soar. Please remember to take home swimsuits and towels and bring in extra fall clothes for your child's bin. We would love to go outside as much as the weather allows us to. So, please send your kids in sneakers and bring in jackets as it starts to cool down. This month we'll be talking about zoo animals, apples, families, and our bodies. Any questions, don't hesitate to reach out.

**Butterflies – Miss Stacey & Miss Micaela**

Happy September! We are excited to start the school year with some friends moving back down from the Firefly room and some friends moving up from the Caterpillar room to create our new 3's and 4's mixed class. We are welcoming a new friend into the class as well as the return of Stacey as one of the lead teachers in our class after a wonderful summer off with her family. Our focus for September is Me and my Family, letters A and B and numbers 1 through 10. We will be differentiating the learning sessions to ensure all children are getting the needs and support they require. Younger and students struggling in the specific area will be given extra hands-on learning support. Older and students advanced in a specific area will be given more challenging instruction with teacher support to ensure everyone is learning and growing. We, as teachers, strive to give the best quality lessons that are directly based on the needs of our individual students. We look forward to our new adventures this school year!

**Fireflies –Miss Sarah & Miss Meghan**

Welcome back! It was a wonderful summer but we are ready and looking forward to a great school year ahead! During the month of September, we will be getting to know all our friends in the room and talking about what the rules are in the classroom and what our room has to offer! In ready readers- we will be focusing on letters A and B as we do one letter for 2 weeks. In Math Mania- we will be focusing on number recognition 1-10, starting to trace them and knowing what they look like with our flash card game. We will also be focusing on family! What makes a family & who is in my family? We are looking forward to the upcoming year and please feel free to come to us with any questions or concerns. Blessings.
