 Your Birthday Book!

Music & Drama Miss Chelsea

Spring is finally here! This month in music, we will be learning songs that are about rain, flowers, and changing weather. Our Firefly class will continue working on their songs, poems and prayers for graduation in June! Lots to look forward to this month.

Staff Highlights

Employee of the Month - Makayla Bendijo

Makayla has been with us for a little over a year. Her positive energy and laughter can be felt around the building. She is always willing to work in any classroom that we ask her to, except the babies, LOL. In April, she will be moving to Florida with her family and we will miss her. We wish her God's blessings and appreciate all she has given to FCCNS.

American Sign Language Sign of the Month

Easter - To sign "Easter" make an "E" handshape with both hands and move them in a circular motion, essentially mimicking the action of cracking an egg; this movement is often accompanied by a slight side-to-side wave, signifying the celebratory nature of the holiday.

Rain - Open both hands, and starting with your hands above your head, bring them down. Your fingers are like raindrops falling down.

Classroom News

April Curriculum:

Theme - Easter/April Showers

Word: Respectful

Shape: Oval

Math: Measuring

Color: Pink

Letters: T & U

Little Lambs – Miss Faith, Miss Irene
& Miss Karen

Happy Spring! We hope everyone had a good Easter Sunday. This month we are hoping for some warm sunny days to go outside. Our 12-month-olds and up can go out to our toddler playground and all our babies can go out for walks. Please bring the appropriate outerwear for your children to go outside. Our alphabet will continue with the letters Q, R and S. Look for some Spring themed projects and activities.

Lady Bugs – Miss Laura

Here comes April! We are ready for Spring! In April, we will be learning about Easter and reading about it in our Bible. We will learn about flowers and rain. We will continue with counting, colors and some letters. We are working on our social skill, gentle hands. We will continue to go outside - please make sure your children have extra clothes (if we get dirty) in their cubby!

Caterpillars – Miss Stephanie, Miss Eva
& Miss Katie

Happy April Caterpillar families!
Spring is here and it brought the rain with it! It is always fun to go for rain walks or stomp in the puddles so if your child has a raincoat or rain boots, please send them in with your child! It allows us to get some fresh air even on the days when the weather doesn't cooperate.
Our topics for the month will include Bugs, April Showers and Gardening. We will also be working on our table manners and identifying the letters in our names.
With lots of 3rd birthdays coming up in our room, we are in full potty-training mode with lots of our kiddos! If your child has not started potty training yet and you are interested in starting them with potty training, please let us know!
As always, please let us know if you have any questions.

Butterflies - Miss Stacey & Miss Chelsea

Ahhhh....Spring is in the air! This month we will be exploring this wonderful gift of God. We hope to get outside lots this month and explore the changes all around us. We will learn about the aspects of spring from the crazy weather, the budding of leaves and flowers, God's gift of new life, and Jesus' death and resurrection. Through play and exploration, we will dig into learning about spring. The children have been working hard and have made huge strides in learning sounds, letter formation, as well as identification of A - P.
April Birthday – Happy Birthday to Tatum!
No School – Friday, April 3 – Good Friday.
Easter Blessings!

Fireflies – Miss Sarah & Miss Meghan

Happy April! We will start this month focusing on Good Friday & Easter and learning about how Jesus died for our sins. We will be finishing up the alphabet with letters X, Y, & Z. We will continue to practice simple addition & subtraction as well as our early reading skills. In the month of April, we are looking forward to spending more time outside and learning about spring! In both April and May, we will learn about seeds, baby animals and the life cycle of a butterfly. We are looking forward to the warmer weather and can't wait for spring! Please let us know if you have any questions.

Good Knights – Miss Amy, Miss Chris
& Miss Makayla

PCSD will be closed for spring break from March 30th-April 3rd. FCCNS will be closed April 3rd for Good Friday.

We have a lot of fun activities planned; like spring crafts, a baking/snack project, group games. Hopefully we'll be able to spend a lot of time outside. We'll focus on the Easter account and help with a little service project.
