Staff Highlights

Employee of the Month – Faith Marlow

Faith Marlowe has been with FCCNS for almost 8 years. She calls herself the grandma of the baby room. She opens the baby room every morning and showers love and learning onto each one of the babies. This past month she received the Karen Richard's award. She is always willing to stay late or change her hours to help cover where needed. Faith is a blessing and we are blessed to have her as part of the FCCNS Family. Thank you for all you do.

American Sign Language Sign of the Month

This month our signs are Happy Father's Day.

Happy - hand circling up.

Little Lambs – Miss Faith, Miss Irene & Miss Karen

Happy June! We are excited to continue enjoying the warm weather and spending more time outside. If we're lucky, we may even get to have some fun water play days! Please remember to send your child with appropriate outdoor clothing and an extra change of clothes. We will be learning about summer and celebrating Father's Day with a special craft. We will continue practicing sign language, working on fine motor skills and encouraging walking and crawling. We will also finish the rest of our alphabet with V to Z. We look forward to a fun and sunny month with our Little Lambs!

Lady Bugs – Miss Laura

Here comes Summer! Please bring in sunscreen for your child. We will be learning about Father's Day and talking about all the things they do for us! We will be learning about the season of summer and continue to work on our vocabulary words at circle time or by singing and playing with each other. We will have some hot days for water play. Please provide bathing suits/shoes to get wet or sun hats.

Caterpillars – Miss Stephanie, Miss Eva & Miss Katie

Happy Summer Caterpillar Families!

The warm weather is here to stay! If you have not already done so, please send in a bottle of sunscreen labeled with your child's name on it for us to keep here at school. And please check their backup bins to make sure there is summer clothing in their current size. We will start adding water play into our days as weather allows! This is always everyone's favorite part of the summer and we can't wait! It is a very busy month of moving classrooms for our class. This month Joseph, Owen, Harper, Fiona, Iris and Micah will all be moving up to Butterflies! Have so much fun guys! We will miss you! We will also be welcoming many friends into our room this month. Welcome to Caterpillars Gemma, Theo, Colette, Charlotte and Braxton!

Lots happening in our room this month! As always, let us know if you have any questions!

Butterflies - Miss Stacey & Miss Chelsea

Summer is almost here!! Let's celebrate our students' growth and achievements as we prepare for summer adventures, look forward to details on summer programs, activities, and opportunities for continued learning. For our older Butterflies, who will be moving up to FF Room (June 29th), you will be missed so much, you all have gotten so big and have learned so much! We love you. To our younger Butterflies, this month we will have fun activities planned, outside fun, including water tables, sprinklers (please bring in a labeled swimsuit, towel and water shoes) and we will enjoy some playtime outside. We ask that you bring in a reusable bag for all the "swim things". Miss Stacey's last day for the summer is June 22nd. Please always check our classroom white board for important messages!

Fireflies – Miss Sarah & Miss Meghan

Happy June! Graduation is coming soon and we have been working very hard on our songs! Graduation is Friday, June 26th at 4pm. During the month, we will continue reviewing our letters and numbers and also working on reading in our Bob Books! The weather is finally becoming beautiful, so we hope to get outside and enjoy the new music garden as much as possible! It's been an awesome year, and we will miss these amazing kiddos but know they all will do great things! See you at graduation!
